

Expression of Interest for Site Assessment

Submitting an Expression of Interest (EOI) for a Site Assessment is the first step to take if you are interested in participating in a BCT Conservation Tender.

A site assessment involves your site being assessed for eligibility to participate in the tender. It does not mean that you are required to submit a bid.

The BCT will prioritise eligible EOIs for site assessments based on the date of the EOI (on a first-come first-served basis). If your EOI is not received by 13 April 2018 your EOI may be replaced on a reserve list. You are therefore encouraged to register your interest early.

Complete the information requested as accurately as possible. Please contact the BCT for if you require assistance. For more information about the Conservation Tender you can call 1300 992 688 or visit the BCT website at www.bct.nsw.gov.au.
