

Information sessions Plains-wanderer conservation tender

Interested in receiving funding for conservation? The Biodiversity Conservation Trust (BCT) is opening its Plains-wanderer conservation tender in November, allowing eligible landholders to apply to receive annual payments for managing a piece of their land for conservation.

These sessions will provide information on how the tender works, eligibility requirements, important details about conservation agreements, as well as a general overview of the BCT and how we work with landholders.

RSVP essential via eventbrite: <https://bct-plainswanderer.eventbrite.com.au> or by using the contact details at the bottom of this page.

PLEASE NOTE: Several face-to-face sessions have been organised for those who cannot access the online sessions. COVID-19 safety measures will be in place and strict limitations on numbers apply.

(RSVP for address)

Tuesday, 27 October 2020,
5.30pm - 7pm

Plains-wanderer conservation tender map

This map displays the Plains-wanderer conservation tender area. The BCT will accept EOIs from landholders in this area who have at least 100 ha of mapped Plains-wanderer habitat on their land. Landholders can measure the amount of habitat on their property via a map viewer on the BCT tender web page - <https://www.bct.nsw.gov.au/current-conservation-tenders>. Scroll down to Plains-wanderer tender.
